

Four Types *of* Reading Assessments

1. Screening

Screening assessments are used to determine which students are at risk for reading difficulties.

2. Progress Monitoring

Progress monitoring assessments are used to determine if a student is making progress during an intervention period.

3. Diagnostic

Diagnostic assessments provide the teacher with more in-depth information regarding the student's skills in a particular area of reading.

4. Outcome

Outcome assessments provide an evaluation of the overall effectiveness of a school's reading curriculum and implementation of the curriculum.
