Print label on full size Avery label, cut out and adhere to container used to store the eyeballs. You will need 40 eyeball/ping pong balls.

Write the following words on ping pong balls with a black Sharpie marker. I was able to find ping pong balls with an eyeball design in our local dollar store. If you cannot find those balls, simply write the words on regular ping pong balls and draw an eyeball design with blue, black and red Sharpie markers.

cat, fin, pan, bag, pen, fun, ham, rug, nap, can, sun, cub, hug, top, wet, rat, nut, bug, hot, mop, pet, ten, leg, bed, red, sit, zip, pin, big, bat, cap, van, rag, Sam, den, leg, map, hen, wed, wig

Place ping pong balls in a container.
